Taper Spindle Mounting Pin Vice

This tool is ideal if you have ever had difficulties drilling, polishing, grinding, etc in small areas because regular mops and abrasives are too large. This add on tool fits tapered spindles with ease. You now can mount a large variety of attachments like mini mops, silicon finishers and mounted roll sanders / drum sanders etc.

- Size: length 100mm x diameter 35mm
- Weight: 40g

1. Collect closing to zero

2. Mount mini mops/abrasives

3. This end wind onto your right hand side of your polishing taper spindle

Shown mounted on motor with mini abrasive (not included)
