**CAFLON EAR PIERCING ACCESSORIES**

**Allergy Jewellery Shield**

Allergy Jewellery Shield J12037

- Specially formulated
- Transparent
- Permanent
- Apply on any jewellery, not skin

Allergy Jewellery Shield protects sensitive skin from metallic irritation and prevents skin discolouration. Allergy Jewellery Shield lets you wear all the jewellery you ever dreamed of with comfort and confidence. And no more allergic reactions!

- Allergy Jewellery Shield can be used on pierced earrings, wire clip-on-earrings, rings, watches, bracelets, clasps, snaps, eyeglasses etc...
- To apply: Shake gently and apply one coat of Allergy Jewellery Shield to all metals parts of jewellery that will touch the skin. Allow twenty minutes to dry between coats. Repeat as needed. For best results, coat heavily. Allow to dry overnight. see website more info for helpful hints, instruction & contents
