Certificate of Compliance

REACH DECLARATION

(EU REACH regulation (EC) No 1907/2006)

We Caflon Ltd certify that to the best of our knowledge that all materials, packaging, processes and components are produced in conformance with EU REACH regulation (EC) No 1907/2006 and none of its products or product packaging contain any of the Substances of Very High Concern (SVHC) from 1st September 2019 in a concentration above 0.1% weight by weight allowable limit (including complex articles and amendments, as defined in REACH – ANNEX XVII n 23, 27 AND 63 FOR Cadmium, Lead and Nickel).

. We certify that the processes used to manufacture our products comply with the requirements of **EU Directive 2015/863 (RoHS 3)**;

. We certify that none of the substances listed in **Annex XVII of the EU Directive 2002/96/EC on WEEE** are intentionally added or used to any package or packaging component during the manufacturing process.

. We further certify that the **sum of the incidental concentration levels** of lead, mercury cadmium and hexavalent chromium present in any package or package component does not exceed 100 parts per million weight.

. Caflon randomly sends products to Sheffield Assay Office for metal testing and analysis to ensure products comply with the required standards.
