ALLIGATOR & CROCODILE, GENUINE

COUSINSUK Alligator & Crocodile
Genuine

Price Bands:

- (3) Finest Italian "Handmade" watch straps (formerly Bellini) for all high quality, prestige & exclusive timepieces.
- Dress for timepieces including Patek Philippe, Vacheron Constantin, Piaget, Jaeger-LeCoultre & Audemars Piguet etc.
- Padded for timepieces Bentley, Breitling, Cartier, Omega, Panerai & Rolex and many more.

The Cousins Collection are straps from all price brackets that when compared to our competitors represents not only superb value for money but also you will be hard pressed not to agree on the higher quality.

There is usually a 2mm taper reduction from the case fitting to the buckle. There can be a greater taper on certain strap ranges usually for expensive, older Swiss watches (such as old Omega's & Rolex's) to allow the original buckle to be fitted.

Whilst there will be slight variations between manufacturers the following lengths can be used as a guide. Ladies sizes are generally 15mm & below. Overall length of both sections excluding buckle:

- Ladies Standard - 170mm
- Ladies Extra Long – 190 to 205mm
- Gents Standard – 190mm
- Gents XL – 205 to 220mm
- Gents XXL – 225 to 235mm
- Gents XXXL - 240 to 260mm
